### About Franchise Business Review

Franchise Business Review is a national market research firm assisting prospective investors through the examination process of today's leading franchise systems. The firm performs independent surveys of franchisee satisfaction and performance across hundreds of companies each year. Our independent satisfaction reports measure the health of any franchise, based exclusively on the feedback of today's franchisees – the real franchise experts!

Franchise Business Review administers the **FBR50 – Franchisee Satisfaction Awards™** an annual rating of the top franchises based on the highest level of overall satisfaction.
